Balanced Nutrition WellnessPro™ for Men. The most advanced meal replacement ever developed especially for men. Recognizes the specifics of a man's body and satisfies needs in nutrients & vitamins. Contains proprietary protein blend & patented enzyme systems. Designed for general health and wellness.

- Use as a part of your weight management program*
- Helps increase body tone*
- Helps reduce premature aging*
- Improves joint health & function*
- Supports immune system & cardiovascular health*
- Supports eye health & vision*

GMO free and Aspartame free.

Starting at the age 30, an average man loses about 1 lb. of the muscle tissue a year, which leads to decreased body tone and premature aging. The exclusive protein blend in WellnessPro™ in combination with the enzyme complex Aminogen® helps restore the muscle tissue and prevents future losses.*
